Roberto Jesus Rodriguez

Full-Stack Web Developer

Normal, IL | 312-597-4127 | robertojrodriguez21@gmail.com | [LinkedIn](#) | [Portfolio](#)

I am a full-stack web developer who values solving complex problems and using innovative solutions to resolve said problems. As a fellow at General Assembly, I touched base on a few languages and technologies such as Javascript, Python, React, Vue, MongooseDB, and PostgresSQL.

SKILLS

- **Languages:** Javascript, HTML, CSS, Java, PHP, Swift, Python
- **Software:** Node.js, React, Express, Mongoose, Bootstrap, PostgreSQL, Flask, Bootstrap
- **Courses:** Designing the User Interface (A), Web Development Technologies (A), Computer Application Programming (B), Structured Problem Solving Using the Computer (A), Data Communications (A), IT Project Management (A), Business Organization & Management (B)

SOFTWARE ENGINEERING PROJECTS

Finance Tracker | GitHub | Dec. 8, 2022 - Dec. 14, 2022
- Created a a tacker for your finances to keep you up to date on your current balances.
- Coded a PERN (PostgresSQL, Express, React, Node.js) stack application.

Wish List Application | GitHub | Oct. 20, 2022 - Oct. 30, 2022
- Created a wish list application where users can create a list and add items with links to buy their item.
- Coded a MERN (Mongoose, Express, React, Node.js) stack application.

EXPERIENCE

QA Tester | Rivian | Normal, IL | September 2021 - November 2021
- Tested and evaluated Rivian's key program MES
- Troubleshooted MES (Manufacturing Execution System) on 20+ screens in the battery department, allowing line-workers to complete tasks in their designated station.
- Identified and assisted to remove about 10+ bugs, glitches, and other user experience issues nightly on the MES system.

Student Personnel Manager | EMDH @ ISU | Normal, IL | November 2019 - August 2021
- Updated, tracked, and maintained attendance sheets and records of student discipline for 300+ student employees.
- Communicated with student workers who are requesting a permanent schedule change.
- Conducted 10+ orientations for new student employees and provide basic initial training every week.

Student Manager | Starbucks @ EMDH @ ISU | Normal, IL | May 2019 - August 2021
- Oversaw that all operations adhere to the guidelines set forth by the Starbucks corporate offices.
- Participated in daily operations, providing customer service, cleaning, and assist customers with complaints.

EDUCATION

General Assembly | Software Engineering | September 2022 - December 2022
